

NORTHWEST MISSOURIAN

NORTHWEST MISSOURI STATE COLLEGE

VOL. 45—NO. 5

Maryville, Missouri

October 29, 1958

JOAN OF NORTHWEST MISSOURI STATE . . . Miss Joan Hall is Homecoming Queen for 1958. A record number of voters went to the polls during the Homecoming Queen election. To be exact, 1,278 students voted, choosing Miss Hall as queen from five contestants—Photo by Falk.

Queen for '58 Accepts Crown At Ceremonies

Joan Hall, sophomore, was crowned 1958 Homecoming Queen at ceremonies last Thursday night following the first performance of the Variety Show.

Bob Owens, student body president, introduced the five queen candidates and their escorts, who were Miss Hall, escorted by Jerry Dallam; Patty Hinkle, escorted by Ted Derks; Peg Humphreys, escorted by Russell Phelps; Donna Lynch, escorted by Harold Lynch, and Janice Wilkinson, escorted by Jack Beemer.

After the five candidates had been introduced, the curtains were closed while the queen was seated on the throne. Owens crowned the queen with the words, "It gives me pleasure to crown you Homecoming Queen for 1958—Miss Joan Hall."

Dick Hargrave presented Her Majesty a bouquet of flowers from the Student Senate.

After the ceremonies, the queen and her escort followed by her four attendants, their escorts, Owens, and Hargrave, led the procession to the gymnasium parking lot where a pep rally was held.

Rose Mary Meyer Wins State Honors

Rose Mary Meyer, a senior at the College, as a representative of Nodaway County 4-H groups at the Kansas City American Royal, was named one of the three top 4-H girls in Missouri.

She was chosen by a state board from standard reports entered in state competition.

Rose Mary, the other two Missouri girls, and the three top girls from Oklahoma and Kansas were honored with banquets, tours, shows and souvenirs.

The convention was held from October 19 to the 21, and was sponsored by the women's division of the Kansas City Chamber of Commerce.

Rose Mary was a member of Nodaway County 4-H groups for 13 years and has received numerous honors during this time.

College Students Should File Now

Students, especially boys, are urgently needed for part-time work.

If any boy desires a part-time job, he should file his name in the Dean of Men's office immediately. Thus far only ten boys have filed and this number is not adequate to fill all the calls for student part-time labor. Since many of the jobs are afternoon jobs, any student who needs work and who can work in the afternoon should file as soon as possible.

Marsha J. Combs Presents Her Work In Art Exhibition

Marsha Jane Combs, senior art student, opened a one-woman art exhibit in the art department October 17. The exhibit displays some of the work which she has completed in her first three years as a student in the art department.

Some of her works on display are as follows: abstract designs in different styles and forms, buildings and objects in perspective, oil paintings, water colors, paintings in tempera, figure silhouettes in black and white designs, forms of advertising in the commercial art field, paintings in ink, different styles of lettering, a silk screen process, and designs of fashion costumes.

Besides these works she has been busy in carved leather, sculpturing by the chip carving process, copper enameling, ceramics, and jewelry work.

Upper Stacks Are Complete for Use

Mr. James Johnson, head of the Library, has announced that the upper stacks of the Library have been completed and are ready for use.

A new ceiling has been put in, the walls have been painted white for better visibility, and the lights have been installed.

Old newspapers and bound magazines make up the stacks.

The redecoration of the upper stacks has greatly improved the service of the Library.

Television Physics To Receive Credit From This College

Northwest Missouri State College, in co-operation with the American Association of Colleges for Teacher Education, is one of the nearly three hundred colleges in the country giving college credit for the course "Physics for the Atomic Age," seen daily on the National Broadcasting Company television network.

The program entitled "TV Continental Classroom" is broadcast at 6:30 to 7:00 a.m., Monday through Friday, on stations WDAF-TV, Channel 4, Kansas City, and KMTV, Channel 3, Omaha. The lessons began October 6 and will continue until June 5, 1959.

Harvey E. White instructs the general physics class. Students are given a synopsis of the lessons and assignments and are required to purchase text books. Lessons are like regular classroom topics including Composition of Velocities, Newton's Third Law of Motion, and Diffraction.

According to D. M. Cooper, head of NWMSC physics department, the class is primarily for the convenience of people not attending regular school. Students on campus probably will attend the class at college; however, the course is open to anyone.

Students to Take Proficiency Tests To Be Given Soon

English Proficiency Examinations will be held on Wednesday, November 19, at 2:00 in the auditorium.

All second semester sophomores with forty-five hours are required to take the test. Each student required to take it will receive a note from the Registrar, and a list will also be posted.

The test consists of the showing of a short film on a selected topic—for instance a cartoon—and the assignment will be to compose a theme or article on the film. Each student is allowed complete freedom of style in his approach to the subject.

Papers will be read by five faculty members and will be approved by the assent of the majority of the group. If a paper should fail to be approved, its author must see Dr. Frank W. Grube and confer about steps to be taken.

The intent of the English Proficiency Exams is to give evidence that a student is capable of expressing himself in the English language in a clear, correct, and stylistic manner.

Four New Members Have Been Added To "Teahouse" Cast

Four members have been added to the cast of "The Teahouse of the August Moon," to be presented by the drama department November 20 and 21.

New cast members are John Bush, Marilyn Beckler, Merrill Spellerberger, and Dann Baschande.

Work on the play is progressing. Building of the scenery is over half done and is continuing to progress at a steady rate.

"The Teahouse of the August Moon," winner of the Critics Circle and Pulitzer awards, is a comedy involving the Army of Occupation, or part of it, in Okinawa.

Students Elect Two To Student Senate

Don Eklund, senior, and Donna Sue Jones, junior, were voted into terms of Student Senate offices Wednesday, October 22. Voting was held in the Smoker lounge of the Administration building.

Don Eklund received the majority of votes over two other senior opponents, Jim Mitchell, and Don Beeson. Donna Sue Jones is junior senator, gaining the lead over her opponent, Nossrat Shifati.

Alumni President Appoints Members To Suggest Names

Postmaster Paul Fields, president of the Alumni Association, has appointed a committee to submit a recommendation naming campus buildings.

The members of the Board of Regents appointed a committee to make recommendations to the Board naming the buildings on the campus. Acting for the committee, President J. W. Jones invited the Alumni Association to submit a recommendation.

Mr. Fields, class of 1941, is chairman of the committee.

Other members of the committee are the following: Everett W. Brown, secretary of the Alumni Association, class of 1937; John Rush, Maryville, class of 1910; Gale Donahue, Kansas City, Kansas, class of 1946; Mrs. Betty Drenen Jackson, Des Moines, Iowa, class of 1943; Mrs. Louise Perry Eads, Columbia, class of 1930; and Mrs. Joyce Smith White, Cedar Rapids, Iowa, class of 1951.

The first meeting was held Saturday afternoon following the football game.

Faculty Members To Head Meetings

Dr. Frank Grube and Mr. Floyd B. Houghton, of the College English and agriculture departments, respectively, will preside at departmental meetings at the Missouri State Teachers Association Convention to be held in Kansas City, November 5-7.

Dr. Grube is president of the English department of the association and will preside at business meetings Friday, November 7, at the Hotel Phillips.

Mr. Houghton, chairman of the association's agriculture department, will meet with his group at the Municipal Auditorium on Friday.

Others from the College taking part in the convention will be Miss Barbara Wilson, Horace Mann librarian, who is secretary-treasurer of the library department; and Delivee Cramer, vice-president of the Missouri Future Teachers Association.

Volunteers Give Excellent Support

Most students are acquainted with Dr. Sterling Surrey's blood donor list. At the present time, approximately 300 students' names are on the list.

This is a good record thus far, but more students are urged to volunteer to give blood.

Last year about seventy requests for blood were met, totaling about 200 pints. The students of the College help on an entirely voluntary basis.

Dwight Cooke To Speak Here For Assembly

Dwight Cooke, noted news analyst and commentator, will appear here for the third time when he speaks at the 10 a.m. assembly, Monday, November 3, in the College auditorium.

Mr. Cooke's lecture will be entitled "You and the World." One of the features of Mr. Cooke's talks is prediction of future news, as well as the analysis of current affairs.

Mr. Cooke's latest venture in travel was a ten-month tour of Europe and North Africa by car. In 1954, he published "There Is No Asia," a book on the future of the Far East.

Dwight Cooke was born in Chicago. He was graduated Phi Beta Kappa and magna cum laude from Harvard and received his M. A. from Princeton.

Dwight Cooke

Mr. Cooke's career has included working as a writer and editor for Time magazine and as editor of the movie and radio versions of "March of Time." During World War II he ran the largest U. S. short-wave station. After VJ Day he became a CBS commentator and chairman of the CBS People's Platform. He also presented his own daily radio series over the CBS network.

Instructor to Give November Recital

Mr. Charles A. Kuhn, piano teacher at the College, will give a recital, November 5, at 8 p.m., in the Horace Mann auditorium.

Mr. Kuhn will open with "Fantasia in D Minor" by Mozart, followed by "The Beethoven Waldstein Sonata." He will also play impressionistic works by Ravel and Charles T. Griffes, American impressionist. The program will be climaxed by "The Schumann Carnival Suite."

Mr. Kuhn studied piano under Gunnar Johansen and chamber music under Rudolf Kolisch, both artists in residence at the University of Wisconsin, Madison, where he received his Master of Music degree.

He did additional piano study under the late Howard Wells, Chicago, Alexander Libermann, and Egon Petri at Stanford University and Mills College.

Mr. Kuhn's previous college teaching has been at Ohio State University and Monticello College. He has also made numerous concert appearances and has won many awards in piano and composition contests, before accepting his position here.

Browse Awhile . . .

One of the most important features of the Library and one of the most overlooked is Room 3, the Browsing Room. Surprisingly enough, a good number of students receive blank looks from their friends when they speak of the Browsing Room.

It is one of the most peaceful and relaxing places on the Campus—a place where one can relax, read, study, or just browse at leisure.

The Browsing Room is one in which the College may take pride. It provides the means for keeping up with local, national, and international news. Most home town newspapers are provided, a fact which gives the student the opportunity to read news of home. Newspapers, magazines, and books, all of which should be a part of daily living, are provided.

Notes of cheerfulness are a part of the peaceful atmosphere. Comfortable chairs add to the coziness, and colorful tapestry adds the note of cheerfulness.

Librarians are on duty to help students search for materials that may be difficult to find.

Make the Browsing Room a part of your day. It has been provided for a purpose.

They're Talking About . . .

THEY'RE TALKING ABOUT . . . the restful calm after the Homecoming week-end . . . dismantling of floats—hours of work gone in minutes . . . the supremacy trophy and its proud owner . . . the armies of high school bands Homecoming day . . . the barrage of tests last week . . . hectic: but wasn't it fun?

THEY'RE TALKING ABOUT . . . the gathering clouds of mid-term and the inevitable barrage of tests . . . the approaching pink slips—oooh! . . . better burn the midnight oil . . . cooler evenings and signs of colder weather to come . . . new students anxious to see the first snow—don't worry, it'll be here!

THEY'RE TALKING ABOUT . . . fewer suitcase students—see, the weekends aren't so dull after all . . . how handsome the fraternity pledges look dressed up . . . say, what's happened to the chemise? . . . it's lost out to the blazer look . . . the decline of pinnings and engagements—what's happened? . . . the haircutting sessions at the Quad and the Dorm.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

House Decorators Say 'Thank You' To Home Owners

Organizations on campus who had house decorations during Homecoming want to toast a great big "Thank You" to the families who were so gracious to let the seven organizations use their homes.

They are Association for Childhood Education whose theme was "We'll Block 'Em" and used the Elmer Johnson home at 401 West Fourth; Colhecon, "Humpty Dumpty" as the theme, at the Home Management House on College Drive.

Phi Sigma Epsilon, whose theme was "Mules Won't Get Over Our Candlesticks," who used Mrs. J. W. Hake's home at 608 College Avenue; and Alpha Sigma Alpha, whose theme was, "I Dreamed We Beat Warrensburg," at the F. M. Townsend home at 640 College Avenue.

Sigma Tau Gamma, whose theme was "Bears Can CAN the Mules," at the Louis Richardson residence at 620 College Avenue; Tau Kappa Epsilon at the John Price home at 714 College Avenue with the theme, "Bunyan Mule Burgers," and Sigma Sigma Sigma whose theme was, "Let's Whale 'Em Bears," at the Ellis Meek home at 910 College Avenue.

The organizations again say "Thanks!"

Ag Students Visit Kansas City Royal

Twenty college agriculture students and two members of the agriculture department visited the 1958 American Royal in Kansas City, October 18.

General American Royal activities were studied, and practice in livestock judging was accomplished.

Viewing American Royal activities were R. T. Wright and F. B. Houghton, College agriculture faculty members; and college students Lee Weir, Leon Brown, Allen Herzberg, Charles Gillis, Tim West, Charles Patterson, Duane Clement, Phillip Standlea, Charles Knorr, Kent Clark, Kenneth Archer, Darrell Guest, Richard Johnson, Ray Ellis, Duane Padgett, Mike McDowell, Joe Pepper, Glen Godsey, and Nelson Thornton.

Ten Horace Mann agricultural students also made the trip under the supervision of Rex Craig, student instructor.

Students Inspect Campus Buildings

Prospective students are already making their appearances on the campus to gain information about the College and to become acquainted with the campus.

Recently some boys from St. Joseph Central visited the campus. They were Leslie Johnson, Roger Link, Wayne Wilson, Bob Andres, Mike Myers, and one boy who was too bashful to get out of the car. They are contemplating coming to NWMSC next September to further their education and they came to survey the campus to see whether they might like it here.

When asked whether they liked the College, they answered affirmatively.

Drama Club Meets To Explain Goals

Del Smith and Floyd Worley gave short speeches about Alpha Psi Omega, honorary dramatics fraternity, at the meeting of the Drama Club, Wednesday, October 22, in Room 103.

They explained the goals of Alpha Psi Omega and the qualifications one must have to become a member.

New names for the Drama Club were discussed at the meeting, but the members decided to wait a while before choosing a name.

The Drama Club meets on the first and third Wednesdays of the month at 7:00, in Room 103. Anyone interested in dramatics is urged to attend these meetings. Later the members will present short plays.

Churches Have Regular Hours

Reorganized Church of Jesus Christ of Latter-Day Saints

The Reorganized Church of Jesus Christ of Latter Day Saints is located at First and Walnut streets. Elder Kenneth Nelson is the pastor. Morning worship begins at 9:45. Missionary services are held at 7:30 p.m. Sunday through Friday.

First Church of Christ, Scientist
Sunday school for all persons under 20 years of age will begin at 9:30 a.m. Worship services are held at 11 a.m. Wednesday evening services begin at 8:00 p.m. The First Church of Christ, Scientist, is located at 206 South Main street.

St. Paul's Episcopal Church
St. Paul's Episcopal Church is located at Fifth and Market streets. Rev. Charles E. Sanders, Jr., is the vicar. Sunday church school classes meet at 9:00 a.m., and services begin at 9:45 a.m.

First Presbyterian Church
Located at Main and Jenkins streets, the First Presbyterian Church, with Rev. Robert H. Ceperly as pastor, holds Sunday school at 9:45 with worship service at 10:45.

St. Patrick's Church
Sunday masses are held at 6:30, 8 and 10 a.m., at St. Patrick's Catholic Church. St. Patrick's Church is located at First and Buchanan streets.

St. Mary's Church
Located at 321 South Davis Street, the St. Mary's Church, with Rev. Isidore Diebold as pastor, holds Sunday masses at 7:30 and 9 a.m.

First Christian Church
Rev. George W. Barger is pastor of the First Christian Church located at Third and Buchanan streets. Church school convenes at 9:30 a.m. Morning worship begins at 10:45.

Methodist Church
The Methodist Church, located at First and Main streets, holds Church School at 9:30 a.m. and morning worship at 10:45. Rev. Ralph H. Hicks is pastor.

Assembly of God Church
Rev. Rex Ansbaugh is pastor of the Assembly of God Church located at 309 East Second Street. Sunday school begins at 10 a.m., and morning worship is held at 11 a.m. Young people's service meets at 7 p.m., and evening evangelistic service is held at 8 p.m. Bible study is held at 8 p.m. Wednesdays.

Church of Christ
The Church of Christ is located at Sixth and Vine streets. Rev. Asa Baber is pastor. Bible school begins at 10 a.m. and worship service at 11 a.m. Bible study and prayer meeting is held at 8 p.m. on Wednesdays.

First Baptist Church
Rev. Howard G. Judah is pastor of the First Baptist Church. The church is located at Jenkins and Market streets. Sunday school begins at 9:30 a.m. Morning worship is held at 10:45. Evening worship is held at 7:30 p.m. Mid-week service is held at 7:30 p.m. on Wednesday.

Hope Lutheran Church
The Hope Lutheran Church is located at 937 South Main Street. Rev. Stephan J. Korinko is the pastor. Sunday morning worship services begin at 11.

Looking Forward . .

- Nov. 1—Football at Rolla, 2:00 p.m.
- 3—Dwight Cooke Assembly in College auditorium, 10:00 a.m.
- 7—Movie "The Searchers" in Beareat Den, 7:15 p.m.
- 8—Football with Kirksville, High School Day, 2:00 p.m.
- 10—Mid-term examinations begin (end Nov. 15).
- 12—Back to School Night, Horace Mann.
- A. C. E. Creative Workshop in Kdg. Rm. at Horace Mann, 7:00 p.m.

Freshman Hall Has Meeting to Elect Council Officers

Election of members for Dorm Council in Freshman Hall was held October 21 in the room of Mrs. Helen Larson, director of the Hall. Officers elected were Mary Harris, president; Jeanne Kramme, vice-president; Linda Jones, secretary; and Janell Miller, treasurer.

Each Floor Is Represented
Representatives from each floor were also chosen. They are Edith Moats and Thelma Gerdes, first floor; Merle Imamoto and Linda Jones, second floor; Janell Miller and Sara Beth Kurtz, third floor; and Shirley Haas and Loretta Farmer, fourth floor.

On each floor of Freshman Hall there are two counselors, two floor chairmen, and A. W. S. representatives. They are, first floor, Sharon Kolhof, counselor; Pat Cottrell, counselor and night chaperon; Sandra Dudgeon and Sue Crone, chairmen; and Muriel Schrooten and Paula Jarrett, A. W. S. representatives.

Cummings and Cox Are Counselors
Second floor, Carolyn Cummings and Marilyn Cox, counselors; Mary Ann James and Beth Tasler, chairmen; and Connie Johnson and Rose Schlie, A. W. S. representatives.

Third floor, Ardith Linn and Gloria Jackson, counselors; Betty Ambrose and Ruth Enmeck, chairmen; and Deanna Bebo and Carol Johnson, A. W. S. representatives.

Fourth floor, Marsha Crowell and Mary Lou Boeck, counselors; Karen Miller and Loretta Farmer, chairmen; and Carolyn McNeely and Sandra Krokstrom, A. W. S. representatives.

Desk girls in Freshman Hall are Ann Abarr, Karen Behrends, Deanna Bebo, Virginia Coughlin, Pat Dunham, Loretta Farmer, Mary Harris, Carole Henson, Mary Ellen James, Jeannie Jay, Donna Krieger, Peggy Leslie, Nancy Main, Mary Margaret McComb, Sharon Owens, Sharon Patterson, Linda Turner, and Sharon Gean.

Physics Students Have Quadrupled In Past 5 Years

Dr. Densil Cooper, head of the College's physics department, stated that the number of students majoring in physics here has quadrupled since 1953.

When asked if recent news stories of satellites and moon rockets had any influence on the increase, Dr. Cooper remarked that these news events had been too recent to affect the large increase.

Dr. Cooper said that many of the physics majors do not start out with that major in mind, but change from engineering, chemistry, or one of the other sciences.

Similar increases can be noted in other colleges and universities throughout the country. This can be explained by the great demand for trained physicists, high salaries, and the new and interesting phases of the field.

Students Commute To College Campus

More than 150 students commute from 33 neighboring cities and towns to college each day, according to the recently released 1958 college student directory. Some travel 320 miles or more each week.

Commuters are expected to drive a combined total of more than 250,000 miles this semester. Most student commuters are married and make their homes in surrounding communities; many return to part-time jobs when classes end.

When class schedules permit, traveling students who live in the same community are forming car pools in order to cut transportation costs. As many as five students are sharing the same automobile this semester.

St. Joseph and Bedford rank highest among near-by cities and towns as to the number of students traveling to campus.

Sigma Tau Gamma Wins Trophy

Phi Sigmas and Sigma Sigmas Tie for Second Place Honors

The 1958 Supremacy Trophy for the annual Northwest State College Homecoming was awarded the Sigma Tau Gamma fraternity during intermission at the homecoming dance Saturday night. The award, presented to the organization with the highest total points scored for participation in Homecoming activities, was accepted by Sig Tau president Dick Carl. Second place went to two campus organizations tied for the award. Dr. John Hargrave, general Homecoming chairman, named Phi Sigma Epsilon fraternity and Sigma Sigma Sigma Society as winners of the second place position in the overall competition.

Tie for Third Place
Tau Kappa Epsilon fraternity and Alpha Sigma Alpha sorority tied for third place. For the second straight year, Phi Sigma Epsilon was awarded first place in the Homecoming variety show. Its winning skit, "Caesar's Homecoming," was presented at the 8 variety show Thursday and Friday nights. Sigma Tau Gamma was awarded second place in the show for its version of "Homecoming, 1927." Sigma Sigma Sigma sorority won third place.

Sigma Tau Gamma took first place in the house decoration competition with its chorus girl line-up. House decorations were judged twice; at night and during the day. Second place went to Sigma Sigma Sigma and third place was awarded to Alpha Sigma Alpha sorority.

Sigma Tau Gamma won a third first place award in the 1958 Homecoming with its beauty float entered in the parade Saturday. The fraternity recreated the same float that burnt shortly before the 1957 Homecoming parade. The Industrial Arts Club was awarded second place with its colorful "butterfly" float. Third place went to the Delta Zeta sorority.

Ag Club Takes First in Humor
The Ag Club took first place with its entry depicting the rival "Mules" being run through a huge meat grinder. Sigma Sigma Sigma won second place in the humor float division and Phi Sigma Epsilon and Sigma Tau Gamma tied for third place.

Homecoming co-chairmen Kenneth Jacobs and Darlene Vonderschmidt presented Sigma Tau Gamma with the first place award for its entry in the jolopy division of the annual parade. Phi Sigma Epsilon was awarded second place and Tau Kappa Epsilon received the third place position by parade judges.

Dick Hargrave, Tau Kappa Epsilon fraternity, was awarded first place in the individual clown competition of the parade. The Tekes

also won third place by virtue of the antics of Larry Kramer, Bill Needles, Sigma Tau Gamma, was awarded second place.

Tau Kappa Epsilon's entry in the group clown division was given first place position in that category by parade judges. Taking part in the Teke group were Dave Hargrave, Van Price, John Lockridge, and John Miller. Ann Young, Mary Harris, Nancy Clark, Bobby Walker, Ann Milne, and Carolyn Boner won second place for the Sigma Sigma Sigma. Third place award in the group clown competition went to Phi Sigma Epsilon. In the Phi Sig group were Keith Wood, Phil Bennett, Carol Hess, Nick Peck, Loran York, Richard Fleming, and Willard VanBuren.

Excited Onlookers Line City Streets To Watch Parade

Maryville streets were lined with cold but excited people who came to watch the annual Homecoming Parade, Saturday, 10:00 a.m.

Veterans led the parade. Forty-seven bands from surrounding areas were represented. Highlight of the parade, however, was the procession of beauty and humor floats.

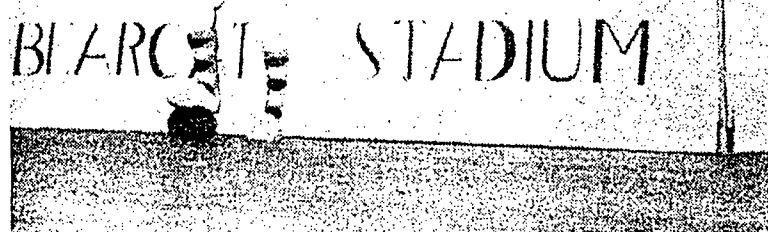

Entries in the parade assembled on College Avenue and proceeded east on Fourth Street to the Conoco Service Station where it turned south on Buchanan Street and continued to First Street. At First Street the parade turned east to Highway 71. At the intersection of Highway 71 and First Street, the parade turned north and proceeded to Franklin Park where it disassembled.

Tower Staff Officers

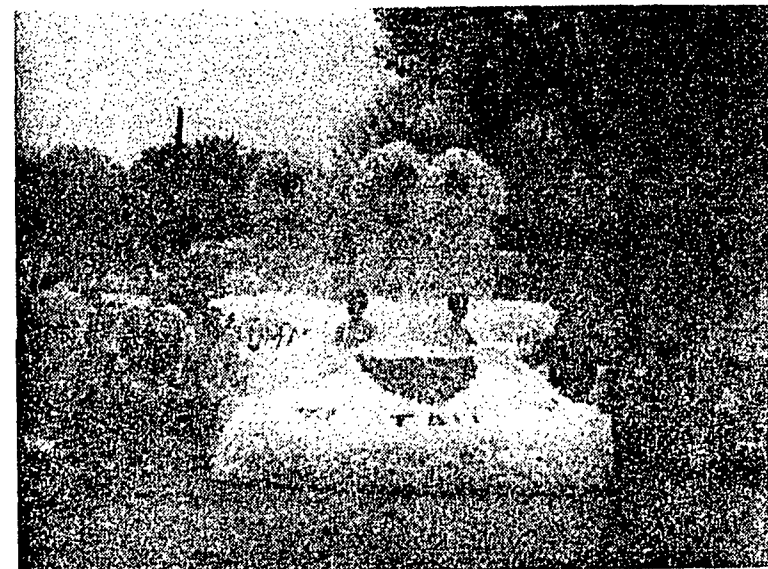

The Tower Staff members for 1958-59 are Sylvia McConkey, editor; Jo Ann Outs, assistant editor; and Glenda Townsend, art editor. The adviser for the Tower is Mr. Howard Ringold.

Bearcats to Clash With Rolla Miners

DOYLE THOMAS — The "Tank", which he is called by his teammates, is from Grant City and has been an important part of the forward wall at center. He has a major in physical education and a minor in industrial arts. He has lettered the last 2 years in football and is a junior.

PHIL MAHER — Phil, a junior, is a 2-year letterman from Red Oak, Iowa, and is majoring in physical education with a minor in business, working towards his B.S. degree in secondary education. He is active in Phi Sigma Epsilon fraternity and is a member of the Newman Club.

DICK POWELL — Dick, senior quarterback from Gover, is majoring in business with a minor in physical education. While earning 3 letters in football he has been an active member of Sigma Tau Gamma fraternity. He has been doing a good job calling the signals for the team this season.

JACK BOYD — Jack is a sophomore from Trenton, and in working toward his B.S. degree, he has a major in physical education and a minor in industrial arts. He has been changing off quite a bit this season with Dick Powell in calling the signals, and he proves himself capable.

Gridders to Play In Afternoon Game

Continuing their road trip, the Bearcats will travel to Rolla this coming Saturday, November 1, to challenge the Miners in an afternoon game starting at 2:00 p.m.

Past records show that in the series of games between these two, the Cats have won 8 while losing 15 and tying 1 in a series that dates back to 1931. Last year the Rolla Miners came out on top by a score of 37-21. The last win for the Bearcats over the Miners was an 11-6 contest three years ago.

Miners Have 2-4 Record

The Miners have a record of 2 wins and 4 losses in their first 6 games. They beat Pittsburg 22-21, and Warrensburg 26-14, while losing to N. E. Oklahoma 20-3, Lincoln 46-0, Washington 19-13, and the Cape Indians 19-7.

Three men in the Miners' backfield that Maryville will have to watch are Cooper, Parker, and O'Mealy. They constitute the main-spring of their backfield and have been giving the opposition much trouble.

Bearcats Hope to Break Hex

In their recent game with Springfield, which they lost 13-0, the Bearcats showed that they are capable of moving the ball. They marched several times within striking distance of the goal line but couldn't quite get it over.

In the first period they moved to the one yard line of the Bears before fading out. They are hoping to break this hex and hit paydirt this coming Saturday.

The Rolla Miners will be out for their third win and into the first division in the conference.

M.I.A.A. Conference Standings

Team	W	L	Pct	Pts.	Pts. Opp
Kirkville	2	0	1000	52	21
Cape	2	0	1000	71	20
Springfield	1	1	500	20	39
Rolla	1	1	500	33	33
Warrensburg	0	2	000	28	58
Maryville	0	2	000	14	46

Patronize Missourian Advertisers

Random Shots . . .

Mills of Kirksville, according to the latest N. C. A. O. small college statistical release, is leading the Nation in rushing, with 951 yards, and in scoring, with 91 points scored to date. He leads the conference with 42 points and should be heading for Little All-American honors.

Al Kyle, freshman halfback from Weston, is 7th in the conference among leading rushers with an average of 5.04 yards per carry. He is 8th in pass receiving with a total of 7 catches and 106 yards in games so far.

The Bearcats' two quarterbacks, Dick Powell and Jack Boyd, are 5th and 8th, respectively, among the leading passers in the M. I. A. A. conference. Dick has a 36.92 per cent completion average, and Jack has a 25.0 per cent average.

Basketball practice has started, and Coach Marion Moss is starting his first year at this school as head coach.

Cats Defeated by Teams Must File Warrensburg Mules To Enter Bowling

The visiting Warrensburg Mules accomplished three things here Saturday in defeating the Northwest State Bearcats, 28-6.

They spoiled the 1958 Homecoming event for some 3,400 cold alumni, students and fans.

They got revenge for a 20-6 defeat here last year in the 1957 Homecoming.

And they moved out of the MIAA cellar.

The game was much closer than the score indicates, but the Mules, stung by an early fourth period Bearcat touchdown, pulled out the stops and scored three more TD's along with extra points, to add to a first half 7-0 lead.

All women's bowling teams must be filed by Monday, November 17.

The bowling tournament will start November 20. Each is to consist of four members and two substitutes.

Edith Eckhoff is the chairman of the bowling intramurals. Any organization or group of people can form a team, and any organization may have two teams.

Out of this world!

Space travelers—be on the alert! Make sure there's a cargo of Coke tucked away in the rocket! You may not be able to buy your favorite sparkling drink on the moon . . . but that's just about the only place you can't. So when you're ready for the big lift, be sure the cheerful lift of Coca-Cola goes along!
